David Buchanan

This is to certify that Mr. David Buchanan has been employed by SCI la Randome as house manager / private chef from 2 May 2012 to 4 January 2013 as part of a management couple position with his partner Mrs. Claire Cooper.

Together they took the full management responsibility for la Bastide, an exclusive private residence of 1,100 m² in a park of over 29,000 m² located in Valbonne, near Cannes.

David joined our operation at a very critical moment corresponding to the final months of a two year refurbishment project, with only 8 weeks to manage the completion of the works and setup the property to welcome the principals.

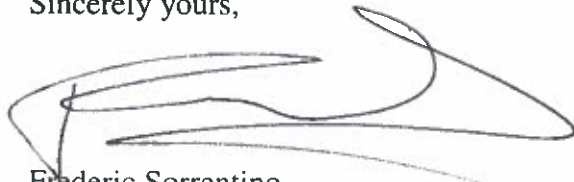

During this time, he demonstrated a strong ability to take control of the project and work alongside the various trades still working on site to ensure that the target deadline for the arrival of the principals would be met. David was focused, dedicated and worked really hard to bring the property to an operational state.

He then went on to care for the principals and their guests and demonstrated his talents as a private chef, able to completely setup the kitchen from scratch and to cook for a variety of guests with different needs and palates.

David was hired as part of a management couple position and we are very sorry that his relation with Claire didn't work out, hence bringing their employment to an end as a single individual can't take sole charge of the property.

I wish David all the best and I recommend him for any future employment he may seek. Please do not hesitate to contact me personally if you have any question.

Sincerely yours,

Frederic Sorrentino
